Derika Braunstein

Program Coordinator-Youth Programs

UC Berkeley

Dear Derika Braunstein:

I am applying for the Junior Counselor position at Camp Blue. I believe I am a good fit for this position as I have meaningful experience working with youth in a variety of settings. I have worked with youth in both choir and dance, and during basketball games and as a mascot during race events.

I remember being a camper at Camp Blue and really enjoyed my time as a camper, and I would love to help the campers have a great experience like I did.

I hope to hear from you and look forward to being a part of the counselor team this summer.

I would love to work at camp blue this summer. I love working outdoors and have a passion for sports and working with children. Having previous experience with working with kids through two previous summer camps I have worked at, I believe I am fit for the job. I have also been a student leader and currently run a club at my school where I collaborate with my peers to plan weekly events. I have fond memories of my time at blue camp and would love to have the opportunity to work there this summer. I look forward to hearing back from you and appreciate your time and consideration.

Sincerely,

Lucas Willcuts
